COUNSELOR FORUM OFFERED BY UM

MISSOULA--

A workshop titled "Counselor Forum: Strategic Family Therapy" will be offered by the University of Montana June 12-15.

The course will present concepts and procedures of strategic family therapy in ways that can be safely and successfully applied to the resolution of problems. It will benefit therapists, counselors, social service agency workers, police, probation and parole officers, school nurses, and counseling church professionals.

The course will be taught by visiting instructor George Stone, who has been a faculty member at Eastern Wyoming College and has been in private practice in psychotherapy. His special training includes one year at the Family Therapy Institute with Jay Haley and Cloe Madones and two years of tutoring with Milton Erickson.

Cost for the course is \$60 and because enrollment is limited, pre-registration is required by June 1.

For further information on summer session and registration contact the Center for Continuing Education, 125 Main Hall, University of Montana, Missoula, MT 59812, or phone 243-2900.
